

## **FACT SHEET**

### **Employee Surveys**

#### **DESCRIPTION**

BPA periodically surveys its employees on their understanding and awareness of ethics statutes and regulations.

#### **PURPOSE**

Surveys are used to inform the ethics program managers on gaps or weaknesses in employees' understanding of the ethic rules and to improve annual training curriculum.

#### **PRODUCT ADAPTABILITY**

Most of the information is available on the external or internal web and can be designed to fit any agency.

#### **AGENCY CONTACT**
