

## **FACT SHEET**

### **Website**

#### **DESCRIPTION**

BPA established an ethics web page and mailbox. BPA periodically posts information on its ethics web page. The mailbox is available for people to submit questions about ethics regulations.

#### **PURPOSE**

The Ethics website provides a central location for employees to find information on ethics or ask for ethics advice.

#### **PRODUCT ADAPTABILITY**

Any agency can have an Ethics Website with the assistance of their IT support personnel.
