

FACT SHEET

2010 Ethical Leadership Training for Supervisors

DESCRIPTION

A values-based training tool designed to highlight and explore key considerations that are part of the ethical decision making process, including: the 14 Principles of Ethical Conduct; the Standards of Ethical Conduct; FHFA's Supplemental Standards of Conduct; Federal Conflict of Interest Statutes; FHFA's mission; and FHFA's core values.

PURPOSE

The values-based training was part of an agency wide initiative to help FHFA strengthen its ethical culture and perform its mission more successfully.

PRODUCT ADAPTABILITY

Fully transferable to other Federal agencies, particularly regulatory agencies. The values-based supervisory training may also be slightly modified for use by non-supervisory employees.
