

FACT SHEET

PBGC's Overall Excellence, Targeted Training

DESCRIPTION

PBGC has engaged in several initiatives to develop and implement model practices. Professionally targeted ethics guidance has been created in order to identify higher risk divisions within PBGC.

PURPOSE

The tailored ethics guidance helps one department have guidance on the ethics issues they face on a regular basis and heightens their awareness of how the rules impact their daily work life.

PRODUCT ADAPTABILITY

Most of the initiatives and program enhancements with a little tailoring are readily transferable.
