

FACT SHEET

PBGC's Overall Excellence, Ethics Open House

DESCRIPTION

PBGC hosted an Ethics Open House after conducting online training. This open house allowed employees to ask more nuanced questions and get to know their ethics officials.

PURPOSE

The computer-based training provides immediate feedback of what is learned and enables tracking; the surveys of the training enable the agency to improve future iterations.

PRODUCT ADAPTABILITY

Most of the initiatives and program enhancements with a little tailoring are readily transferable.
