Subject: Office of Government Ethics - Proposed Amendments to Part 2635

Richard M. Thomas, Associate General Counsel

I am commenting on the Proposed Amendments to Part 2635 (RIN, 3209-AA04).

I am strongly in favor of these additional limitations on gifts to members of the executive branch of the federal government as any gift may have the possibility of affecting policy and policy should be determined by its merit or lack of merit, not by other influences.

Thank you,
