COMMENTS				
<p>3.4: All reports were filed timely.</p> <p>3.7-3.8: The requirement for human resources officials to notify the DAEO of appointments to or terminations from positions that require incumbents to file public financial disclosure reports is intended to ensure the DAEO can timely advise employees of relevant filing requirements. The Council only has four positions whose incumbents are required to file public financial disclosure reports. The DAEO would be aware of all pending appointments and terminations. Therefore, formal notification from human resources officials is not necessary to ensure public filers receive timely notification of filing requirements.</p> <p>3.9 and 3.11: No non-PAS new entrant or termination reports were required to be filed during the period covered by the inspection.</p> <p>3.14-3.17: The agency does not have any PAS officials.</p>

COMMENTS				
5.1-5.8: The agency does not currently have written procedures for issuing notices to prospective employees. Written procedures are critical even in small agencies because, with the loss of one or two key staff, an agency can lose all corporate knowledge of what the ethics program is required to do and how to do it.
