(4.5) PRC does not have an OGE-approved alternative confidential financial disclosure system. (4.6, 4.7) In 2021, none of the four new entrant confidential financial disclosure reports required to be filed were filed timely. Agency ethics officials stated there were challenges related to the transition between ADAEOs. The current ADAEO stated, "since then, we've continued with our usual procedures with no notification or timeliness issues." One of the two new entrant confidential financial disclosure reports required to be filed in 2022 was filed timely, the second report was filed one day after the applicable due date.
