## UNITED STATES OFFICE OF GOVERNMENT ETHICS

Preventing Conflicts of Interest  
in the Executive Branch

CIGIE greatly appreciates the opportunity to have its ethics program reviewed by OGE. Public service is a public trust and a successful ethics program is a cornerstone in ensuring that that trust is maintained. OGE plays a critical role in ensuring ethics programs across the Executive Branch are meeting the standards necessary for providing advice and education to Federal employees regarding the ethical implications of their professional and personal activities and decisions. CIGIE takes pride in its ethics program and is pleased to see OGE recognize its many achievements as well as identify areas where policies and processes can be improved. CIGIE looks forward to continuing to build and improve its ethics program in partnership with OGE.
