PROGRAM ADVISORY

TO: Designated Agency Ethics Officials

CC: Chief Human Capital Officers (or equivalent) and Inspectors General

FROM: Shelley K. Finlayson
Chief of Staff and Program Counsel

SUBJECT: 2019 Annual Agency Ethics Program Questionnaire

At the beginning of each calendar year, agencies are required to submit an annual report to the U.S. Office of Government Ethics (OGE).[^1] They fulfill that obligation by submitting a response to the Annual Agency Ethics Program Questionnaire (“questionnaire”). The responses to the 2019 questionnaire are due to OGE by February 3, 2020.

This Program Advisory provides executive branch agencies with an advance copy of the 2019 questionnaire to allow agencies time to coordinate between the ethics officials, human capital officers, and Inspectors General in order to prepare complete and accurate responses. The advisory also explains how and when to submit a response, describes the changes made from the 2018 questionnaire, and reminds agencies of the public availability of the questionnaire.

OGE uses the questionnaire data to report on the executive branch ethics program to the public, Congress, and the ethics community. OGE also uses the information to carry out its oversight role, to gain knowledge about individual agency ethics programs and the executive branch program as a whole, and to make informed decisions about priorities and resource allocations.

I. How and When to Submit a Response

In January 2020, OGE will email Designated Agency Ethics Officials (DAEOs) and their Alternates (ADAEOs) a link to the online tool that agencies will use to submit their response to the questionnaire. Agencies must submit their responses electronically through that online tool. OGE will not accept responses in any other format. OGE will accept only one response per agency, which must encompass all of an agency’s components.

[^1]: 5 U.S.C. app. § 402(e)(1); 5 C.F.R. § 2638.207(a).
The questionnaire covers the 2019 calendar year (January 1, 2019 through December 31, 2019), except as specified. Agency responses are due by February 3, 2020.

II. Highlights of Changes from the 2018 Questionnaire

In the 2019 questionnaire, OGE removed seven questions that were outdated or redundant. OGE modified the wording of five questions, either to improve clarity or to align the question with existing regulations. Finally, OGE modified the response options in 17 questions. In most cases, these modifications allow OGE to more efficiently catalogue and summarize agency responses.

OGE added seven new questions. The most significant of the new questions are those that ask agencies to report on the timeliness of the review and certification of financial disclosure reports. Agencies were given advance notice of these questions in October 2018 and were reminded again in June 2019.

The attached advance copy of the questionnaire shows the substantive changes from the 2018 questionnaire.

III. Public Availability

OGE will continue to make individual agency responses, as well as a summary report, publicly available on its website (www.oge.gov). Previous questionnaire responses and summary reports may be found at: https://www.oge.gov/web/oge.nsf/Annual+Agency+Ethics+Program+Questionnaire.

If you have questions or concerns regarding this advisory or the advance questionnaire, please contact Wendy Pond at 202-482-9285 or wgpond@oge.gov.

2019 AGENCY ETHICS PROGRAM QUESTIONNAIRE

PART 1. INTRODUCTION

Executive branch agencies are required to submit an annual report to the United States Office of Government Ethics (OGE) concerning certain aspects of their ethics programs (Section 402(e)(1) of the Ethics in Government Act of 1978, as amended). Your response to OGE’s Annual Ethics Program Questionnaire (the questionnaire) serves as your annual report.

OGE uses the data collected through the questionnaire in many ways, including sharing information about the entire executive branch ethics program with the public, Congress, and the ethics community. OGE also uses the information to carry out its oversight role, to gain knowledge about individual programs, as well as the overall ethics program, and to make informed decisions about resource allocations and priorities. OGE posts a summary of questionnaire responses and each agency’s unedited responses on OGE’s website. Therefore, please ensure your responses are suitable for publication.

OGE encourages each agency to use the annual exercise of completing the questionnaire as an opportunity to evaluate your ethics program.

DUE DATE: By regulation, the questionnaire is due to OGE by February 1, 2020. (5 C.F.R. 2638.207(a)). However, because February 1, 2020 falls on a Saturday, responses are due February 3, 2020.

PART 2. INSTRUCTIONS

Your response to this questionnaire should reflect the 2019 calendar year (i.e., 1/1/2019 through 12/31/2019), except as specified. The answers provided should reflect the aggregate data for your agency. OGE will only accept one submission per agency.

Throughout the questionnaire you will be offered an opportunity to provide comments or explanations for your responses. Please use these comment sections to explain any discrepancies between levels of required activity and actual activity. These comment sections should also be used to explain significant changes from your 2018 report. After OGE has reviewed your questionnaire submission, you may be contacted for follow-up.
