2022 Chief FOIA Officer Report

Diana J. Veilleux, Chief FOIA Officer,

U.S. Office of Government Ethics
Section 1: Steps Taken to Apply the Presumption of Openness

The guiding principle underlying DOJ’s FOIA Guidelines is the presumption of openness.

Please answer the following questions in order to describe the steps your agency has taken to ensure that the presumption of openness is being applied to all decisions involving the FOIA. You may also include any additional information that illustrates how your agency is working to apply the presumption of openness.

A. FOIA Leadership

1. The FOIA requires each agency to designate a Chief FOIA Officer who is a senior official at least at the Assistant Secretary or equivalent level. Is your agency’s Chief FOIA Officer at or above this level?

OGE’s Chief FOIA Officer is a senior official equivalent to this level.

2. Please provide the name and title of your agency’s Chief FOIA Officer.

Diana Veilleux, Chief, Legal, External Affairs and Performance Branch, Program Counsel Division.

B. FOIA Training

3. The FOIA directs agency Chief FOIA Officers to ensure that FOIA training is offered to agency personnel. Please describe the efforts your agency has undertaken to ensure proper FOIA training is made available and used by agency personnel.

OGE promptly informs FOIA team members of available FOIA trainings. Specifically, OGE provides its FOIA team members with direct registration links to the FOIA courses offered by DOJ’s Office of Information Policy. In addition, OGE’s FOIA personnel who require or seek more extensive training are sent to commercially available FOIA/PA training. Members of the FOIA team also provide periodic briefings to employees at staff meetings about responsibilities under the FOIA.

4. Did your FOIA professionals or the personnel at your agency who have FOIA responsibilities attend any substantive FOIA training or conference during the reporting period such as that provided by the Department of Justice?

Yes, the personnel at OGE who have FOIA responsibilities attended FOIA training during the reporting period.

5. If yes, please provide a brief description of the type of training attended or conducted and the topics covered.
The personnel at OGE who have FOIA responsibilities attended various courses and seminars offered by DOJ's Office of Information Policy including the Virtual Continuing FOIA Education, Virtual Procedural Requirements and Fees Workshop, Virtual Processing from Start to Finish Workshop, Virtual Introduction to FOIA, Virtual Exemption 1 and Exemption 7 Workshop, Virtual Annual FOIA Report Refresher and Quarterly Report Training, CFO Refresher Training, and FOIA Litigation Seminar. 6. Provide an estimate of the percentage of your FOIA professionals and staff with FOIA responsibilities who attended substantive FOIA training during this reporting period.

80% of OGE staff with FOIA responsibilities attended substantive FOIA training during this reporting period.

7. OIP has directed agencies to “take steps to ensure that all of their FOIA professionals attend substantive FOIA training at least once throughout the year.” If your response to the previous question is that less than 80% of your FOIA professionals attended training, please explain your agency’s plan to ensure that all FOIA professionals receive or attend substantive FOIA training during the next reporting year.

N/A

8. Did the personnel at your agency who have FOIA responsibilities attend training in federal records management during this reporting period?

Yes, as part of OGE’s records management program, all agency employees, including those with FOIA responsibilities, attended training on federal records management. In addition, this year, all agency employees, including those with FOIA responsibilities, attended training in managing Controlled Unclassified Information (CUI).

C. Outreach

9. Did your FOIA professionals engage in any outreach or dialogue with the requester community or open government groups regarding your administration of the FOIA? Please describe any such outreach or dialogue, and, if applicable, any specific examples of how this dialogue has led to improvements in your agency’s FOIA administration.

Yes. OGE’s FOIA team regularly reached out to requesters who had pending requests to provide status updates and to discuss/clarify the scope of a request. These contacts have led to improved relations with the requestor community. In addition, OGE used its
Twitter account to show requesters and other members of the public how to access information on OGE’s website, including how to navigate OGE’s online FOIA resources and how to find ethics documents for senior government leaders that are available on OGE’s website. These types of contacts have enabled requestors to access information that they otherwise would not have known was already publicly available.

D. Other Initiatives

10. Describe any efforts your agency has undertaken to inform non-FOIA professionals of their obligations under the FOIA. In particular, please describe:

- how often and in what formats your agency provides FOIA training or briefings to non-FOIA staff; and
- if senior leaders at your agency received a briefing on your agency’s FOIA resources, obligations and expectations during the FOIA process?

Through periodic email and staff meeting reminders, the OGE FOIA Team regularly informs non-FOIA professionals of their obligations under the FOIA, particularly that any documents created or maintained as part of the non-FOIA professional’s job may be responsive to a FOIA request. FOIA Team members also provide support and respond to questions from individuals who have been requested to search for records to respond to a particular request, or anyone who otherwise has questions about the FOIA process. OGE’s Chief FOIA Officer provides quarterly briefings to OGE’s senior leaders on OGE’s FOIA program, resources, obligations and expectations during the FOIA process.
Section II: Steps Taken to Ensure that Your Agency Has an Effective System in Place for Responding to Requests

DOJ’s FOIA Guidelines emphasize that “[a]pplication of the proper disclosure standard is only one part of ensuring transparency. Open government requires not just a presumption of disclosure, but also an effective system for responding to FOIA requests.” It is essential that agencies effectively manage their FOIA program.

Please answer the following questions to describe the steps your agency has taken to ensure that the management of your FOIA program is effective and efficient. You should also include any additional information that that describes your agency's efforts in this area.

1. For Fiscal Year 2021, what was the average number of days your agency reported for adjudicating requests for expedited processing? Please see Section VIII.A. of your agency's Fiscal Year 2021 Annual FOIA Report.

6.8 days.

2. If your agency's average number of days to adjudicate requests for expedited processing was above ten calendar days, according to Section VIII.A. of your agency's Fiscal Year 2021 Annual FOIA Report, please describe the steps your agency will take to ensure that requests for expedited processing are adjudicated within ten calendar days or less.

Yes, OGE has updated its FOIA regulations in accordance with the Improvement Act of 2016.

4. Standard Operating Procedures (SOPs): Having SOPs can improve the consistency and quality of an agency’s FOIA process. SOPs can also serve as a significant resource for incoming FOIA professionals and a way to preserve much of the agency’s institutional knowledge on administering the FOIA from how to handle requests from start-to-finish, to identifying and making proactive disclosures, to maintaining a FOIA website. Does your agency have up-to-date internal SOPs for your FOIA administration?

Yes, OGE has an internal FOIA SOP that outlines the processes for FOIA administration at the agency.
5. If not, please provide a timeline for when your agency plans to develop or update its SOPs.

8. Did your agency conduct a self-assessment of its FOIA administration during the reporting period? If so, please describe the self-assessment methods used, such as analyzing Annual Report or raw data, using active workflows and track management, reviewing and updating processing procedures, etc. In addition, please specifically highlight any data analysis methods or technologies used to assess your agency's FOIA program.

Please provide an estimate of the number of times requesters sought assistance from your agency’s FOIA Public Liaison during FY 2021 (please provide a total number or an estimate of the number).

Section V: Steps Taken to Improve Timeliness in Responding to Requests and Reducing Backlogs

The Department of Justice has emphasized the importance of improving timeliness in responding to requests. This section of your Chief FOIA Officer Report addresses both time limits and backlog reduction. Backlog reduction is measured both in terms of numbers of backlogged requests or appeals and by looking at whether agencies closed their ten oldest requests, appeals, and consultations.

For the figures required in this Section, please use the numbers contained in the specified sections of your agency’s FY 2020 and 2021 Annual FOIA Reports.

A. Simple Track

Section VII.A of your agency’s Annual FOIA Report, entitled "FOIA Requests – Response Time for All Processed Requests," includes figures that show your agency's average response times for processed requests. For agencies utilizing a multi-track system to process requests, there is a category for "simple" requests, which are those requests that are placed in the agency’s fastest (non-expedited) track, based on the low volume and/or simplicity of the records requested.

1. Does your agency utilize a separate track for simple requests?

No. OGE utilizes tracks for expedited processing and non-expedited processing.

2. If your agency uses a separate track for simple requests, was the agency overall average number of days to process simple requests twenty working days or fewer in Fiscal Year 2021?

N/A

3. Please provide the percentage of requests processed by your agency in Fiscal Year 2021 that were placed in your simple track.

N/A

4. If your agency does not track simple requests separately, was the average number of days to process all non-expedited requests twenty working days or fewer?

No, the average number of days to process all non-expedited requests was not twenty working days or fewer. According to section VII.A of the FY21 Annual FOIA Report, OGE’s non-expedited requests had an average processing time of 72.3 days. 93.58% percent of requests processed by OGE in Fiscal Year 2021 were placed in the non-expedited processing track.

N/A

12. If you had an appeal backlog please report the percentage of appeals that make up the backlog out of the total number of appeals received by your agency in Fiscal Year 2021. If your agency did not receive any appeals in Fiscal Year 2021 and/or has no appeal backlog, please answer with "N/A."

N/A

C. Backlog Reduction Plans

13. In the 2021 guidelines for Chief FOIA Officer Reports, any agency with a backlog of over 1000 requests in Fiscal Year 2020 was asked to provide a plan for achieving backlog reduction in the year ahead. Did your agency implement a backlog reduction plan last year? If so, describe your agency’s efforts in implementing this plan and note if your agency was able to achieve backlog reduction in Fiscal Year 2021?

N/A

23. Briefly explain any obstacles your agency faced in closing its ten oldest requests, appeals, and consultations from Fiscal Year 2020.

Closing OGE’s ten oldest requests required extra time and resources because the responsive records were voluminous and raised complicated legal questions related to disclosure of financial and other private information.

24. If your agency was unable to close any of its ten oldest requests because you were waiting to hear back from other agencies on consultations you sent, please provide the date the request was initially received by your agency, the date when your agency sent the consultation, and the date when you last contacted the agency where the consultation was pending.

N/A

25. If your agency did not close its ten oldest pending requests, appeals, or consultations, please provide a plan describing how your agency intends to close those “ten oldest” requests, appeals, and consultations during Fiscal Year 2022.

OGE plans to focus on the ten oldest pending FOIA requests and ensure that it processes as many and possible during Fiscal year 2022.
F. Success Stories

In Fiscal Year 2021, OGE made significant progress toward working down its backlog of requests. As background, OGE received an extensive number of requests to be processed by its small FOIA team. The responsive records were often voluminous and raised complicated legal questions related to disclosure of financial and other private information. Despite continuing to receive a higher than average number of FOIA requests in Fiscal Year 2021, OGE significantly reduced its backlog and had only ten backlogged requests as of end of the Fiscal year. The FOIA team also continued to meet more regularly to discuss case processing, priorities and challenges inherent in operating during the Covid-19 pandemic, and revised its FOIA processing procedures.
