

U.S. OFFICE OF GOVERNMENT ETHICS

Model Qualified Diversified Trust Provisions
[For use in the case of an irrevocable pre-existing trust]

The model qualified diversified trust agreement contained in this memorandum is made available by the U.S. Office of Government Ethics to attorneys for their use in drafting proposed trust agreements to be submitted for certification pursuant to 5 U.S.C. § 13104(f)(4) and (7) and subpart D of 5 C.F.R. Part 2634. (Note especially, 5 C.F.R. § 2634.409.) Under the statutory scheme, a trust agreement is not permitted to be recognized as creating an efficacious blind trust arrangement for any purpose under Federal law unless it had been certified by the U.S. Office of Government Ethics prior to its execution. Proposed trust drafts submitted to the U.S. Office of Government Ethics for consideration must adhere to the language of the model except to the extent, as agreed to by the U.S. Office of Government Ethics, that variations are required by the unusual circumstances of a particular case. The fiduciaries' certificates of independence must be executed in the exact form indicated.

It is strongly recommended in any case in which the use of a blind trust is contemplated that the U.S. Office of Government Ethics be consulted as early as possible. Prospective trustees or their representatives should schedule an appointment with the staff of the U.S. Office of Government Ethics for an orientation to the specialized procedures and requirements which have been established by law with respect to blind trust administration prior to the certification of the trust. As a condition of approval by the U.S. Office of Government Ethics, prospective trustees must exhibit a familiarity with and commitment to the specialized nature of blind trust administration.

For further information, contact the U.S. Office of Government Ethics directly:
telephone 202-482-9300, email ContactOGE@oge.gov.

16 Further, the Corporate Trustee of the Underlying Trust hereby certifies that the list of the

3 (or applied for his benefit), categorized in accordance with the provisions of such section. For
4 purposes of this Article SEVENTH, only amounts actually received in respect of this Agreement
5 by such interested party (or applied for the interested party's benefit) shall be deemed income

14 Agreement or the Underlying Trust unless the communication is with the Trustee under this
15 Agreement, in writing, and has the prior written approval of the Director, U.S. Office of
16 Government Ethics, and unless it relates only –

17
18 (A) To a request for a distribution of cash or other unspecified assets of the trust,
19

24 Interested Party, to effectuate the provisions of Paragraph (B) of Article SIXTH of this
