Agency: U.S. International Trade Commission	
Follow-up to OGE Report Number: 24-35I	
Report No.: 25-86IF	Date: September 9, 2025

As a result of its review of the U.S. International Trade Commission (ITC) ethics program, the Office of Government Ethics (OGE) issued two recommendations in its April 2024 review report. OGE conducted a follow-up review to assess whether the ITC has taken sufficient action to resolve the deficiencies underlying these recommendations. The results of the follow-up review are summarized below.

	Recommendation	Agency Action and OGE Finding	Status
1	Ensure HR notifications are timely.	ITC provided OGE with three samples of HR notifications and all three are timely.	Closed
2	Ensure HR notifications and new entrant reports are filed timely.	ITC provided OGE with 10 samples of 2025 new entrant confidential reports. Of those 10 reports, 90% were filed timely and 100% were certified timely.	Closed

Based on the results of OGE’s follow-up review, all recommendations are closed.
