	(8.5) According to the ADAEO, live annual training is "not applicable" for agency employees with the exception Board members, because 5 C.F.R. 2638.308(e)(2) applies to "Other civilian employees identified in section 103 stationed in the United States." The former section 103(c) is now codified at 5 U.S.C. 13105(c), and it covers 2 be transmitted to OGE, including senior White House staff, the Postmaster General, Deputy Postmaster General Board of Governors, and Exec. Sch. III, IV, and V PAS officials. According to the Board the only employee cover DAEO, who completes at least an hour of live training every year. (8.7, 8.10-8.13) The Board has no employees who fall within these categories.	(c) of the Act whose in the control of the control	no are reports must e USPS

	RECOM	RECOMMENDATIONS				
#	Element	RECOMMENDATION	Compliance Due			
1	2.1	RECOMMENDATION: The Board was issued a recommendation during OGE's 2022 inspection related to the adoption of an agency policy which restricted the investment and trading activity of senior officials. An agency may modify or supplement the Standards of Conduct, with the concurrence of OGE, to meet the particular needs of that agency. A supplemental standards of conduct regulation is issued jointly by the agency and OGE. The recommendation remains open. OGE appreciates the Board of Governors' interest in implementing new agency ethics policies preventing conflicts of interest. However, agency implementation of mandatory ethics policies for Federal employees that go beyond the scope of the conflict of interest laws and standards of conduct must be promulgated jointly with our office. This responsibility is directed under OGE's statutory authority to "prescribe regulations for the conduct of employees in the executive branch" outlined in 5 U.S.C. § 7301. The requirement applies to all agencies within the executive branch and is non-waivable. As mandatory ethics-related policies that are not promulgated jointly with OGE lack legal effect, OGE strongly recommends that the Board engage with OGE's Ethics Law and Policy Branch to ensure the substantive provisions of the Federal Open Market Committee Policy are included in a jointly issued supplemental Standards of Conduct regulation.
