As a result of its review of the Advisory Council on Historic Preservation's (ACHP) ethics program, the Office of Government Ethics (OGE) issued two recommendations in its March 2026 review report. OGE conducted a follow-up review to assess whether the ACHP has taken sufficient action to resolve the deficiencies underlying these recommendations. The results of the follow-up review are summarized below.

	Recommendation	Agency Action and OGE Finding	Status
1	Ensure that confidential financial disclosure reports (non-SGE) are filed timely and are certified timely.	There was one confidential financial disclosure report required during the period covered by OGE's review. This annual report was filed and certified timely.	Closed
2	Ensure that Special government employee confidential financial disclosure reports (SGE) are filed timely and certified timely.	Nine newly appointed SGEs members joined the Council during the period covered by OGE's review. All nine new entrant reports were filed and certified timely.	Closed

Based on the results of OGE's follow-up review, all recommendations are closed.
