

ETHICS PROGRAM REVIEW FOLLOW-UP REPORT	
Agency: Interagency Council on Homelessness	
Follow-up to OGE Report Number: 23-09I	
Report No.: 25-62IF	Date: June 10, 2025

As a result of its review of the U.S. Interagency Council on Homelessness’s (USICH) ethics program, the Office of Government Ethics (OGE) issued nine recommendations in its December 2023 review report. OGE conducted a follow-up review in November 2024 to assess whether USICH had taken sufficient action to resolve the deficiencies underlying these recommendations. As a result, eight recommendations were closed. In May 2025, USICH was scheduled for a second follow-up review to assess whether the agency had taken sufficient action to resolve the deficiencies underlying the remaining recommendation. However, the agency is no longer active, which prevents a second follow-up review from occurring. As a result, the remaining recommendation is closed.

	Recommendation	Agency Action and OGE Finding	Status
1	Ensure that ethics notices are sent to new supervisors with the required language.	In OGE’s 2024 follow-up review, USICH did not have any new supervisors to send a notice to. As a result, the recommendation remained open. USICH is now inactive. As a result, this recommendation is closed due to the inability for OGE to reassess this matter.	Closed
