MEMORANDUM

TO: Designated Agency Ethics Officials

FROM: Robert I. Cusick, Director

SUBJECT: New Public Financial Disclosure Form (OGE Form 278)

The U.S. Office of Government Ethics (OGE) is replacing the Standard Form (SF) 278 Executive Branch Personnel Public Financial Disclosure Report with a new form for collecting public financial disclosure reports in the Federal executive branch, the OGE Form 278 Executive Branch Personnel Public Financial Disclosure Report.

While the information required to be reported on the OGE Form 278 is governed by section 102 of the Ethics in Government Act, 5 U.S.C. app. 102, replacing the SF 278 will increase OGE’s flexibility to modify and update the Executive Branch Personnel Public Financial Disclosure Report in the future. The OGE Form 278 is now authorized for use as the means of collecting public disclosure reports in the executive branch under sections 101 and 102 of the Ethics in Government Act and 5 C.F.R. part 2634.

The OGE Form 278 differs from the SF 278 in the following ways:

- The OGE Form 278 reflects the most recent triennial adjustment of the amounts of the gift and travel reimbursement reporting thresholds in Schedule C, Part II.

- The OGE Form 278 includes an updated Privacy Act Statement that incorporates three additional routine uses that became effective in 2003.

- The OGE Form 278 excludes street addresses from examples in the body of the report and the instructions.

- The OGE Form 278 replaces references to the “SF 278” and the previous date of issuance with references to the “OGE Form 278” and the current date of issuance.
The OGE Form 278 is available through the Forms Library section of OGE’s Web site at [www.usoge.gov](http://www.usoge.gov). This site provides users with three different PDF versions: a fillable, automated version allowing users to add continuation pages if necessary; a version that is Section 508 compliant and is to be used with screen reader software; and a print version that is not electronically fillable but can be used for printing. The form will also be available for downloading through the GSA Forms Library; however, GSA Global Supply will no longer supply printed copies of the Executive Branch Personnel Public Financial Disclosure Report.

As of the date of this issuance, public filers in the Federal executive branch will use the OGE Form 278 to file their financial disclosure reports. OGE understands and appreciates that those agencies with electronic systems for completing public financial disclosure reports may have special needs in transitioning to the new OGE Form 278. For this reason, public financial disclosure filers in the Federal executive branch may file either SF 278 reports or OGE Form 278 reports through December 31, 2011. In the meantime, OGE staff will be available for non-technical consultation in order to assist agencies in converting any electronic financial disclosure systems. Please direct questions initially to your desk officer.

The specific changes that OGE has made from the SF 278 to the OGE Form 278 are set out in the attachment to this DAEOgram.
